For sake of safety, complete on-line form before departure
Fuel cost reimbursement possible

Mal Barrett, Jr. delivered the YCSAG exhibit to the Oshkosh EAA convention. 12X 18 inch photos and information plus a hand-out about the Air Group.

OPERATIONS OFFICER REPORT Noel Urban

Activity for July

Two Smoke Patrols by Mike Liversidge during the fourth of July week end.

On July 11, Currie Lee and Larry Minch conducted a search of the Bloody Basin area for lost floral delivery man who had been lost over the week-end.
On July 12, Pat and Kathy Moore searched the area again with no result.
After they returned, the Sheriff's department received better information on the location of the lost person. Guidance Helicopter was launched and were able to land and pick up the lost individual.

A search for a person reporting that they were lost to the 911 operator was called off because the individual called from the parking lot of a bar.

The web site has been updated. Ops forms are available and the roster is up to date.

Featured member article now features Ray Johnson

Phase two of Cell Tower location and 911 caller GPS location is being implemented to help improve finding the caller's location.

Lt. Hunt of the Sheriff's Department has ordered headset adaptor cables for the Air Group's two radios.
