Missions in June.

A mission was flown on June 25 by Farrell Harris, observer Bud Lathrop to locate a wanted offender requested by the Ballwin MO police department through YCSO Detective Poling. The location of the offender was overflown and photos taken which showed the vehicle sought and a person at the residence. This information was given to the YCSO and not further information is known.

A mission called out by Sgt. Joy on 6/9 to locate a lost woman on a rural road near Bagdad. Dan Berry and Mike Liversidge responded but the woman was found by the local Bagdad Deputy Tommy Teman before the aircraft departed.
