OPERATIONS OFFICER REPORT Ray Pfeffer

Dan Berry and Scott DeArman flew a search pattern training flight 6/7 on over Bloody Basin. This is the area where a search mission was flown in May. This flight was made to hone the search pattern skills in this area of varied terrain.

Dan Berry and Scott DeArman flew a search mission along with the Sheriff's Office helicopter flown by Capt. Newnum. This mission continued to search for a mission person in the Bloody Basin area missing since May. Although the subject was not

located this mission provided valuable training to fly a mission with the helicopter and ground units.
