OPERATIONS OFFICER REPORT Noel Urban
- Discussion regarding July 28th search exercise with Sheriff's office along with Quad Group, Jeep Posse, Horse Posse and Ground Units.
- Purpose of exercise was to perhaps find sites within the search area that may hide remains and to work on communication improvements between units and Sheriff's Mobile Comm. Center.
- Some discussion about there being "Wilderness Areas" within our search grids, but this will not be an issue.
- Discussed Ray Pfeffer working at the CP in order to relay any special instructions to aircraft for the IC. Limitations of the handheld were noted and the possible use of the Sheriff's Mobile Comm. Center.
- GPS location of the CP location was given to pilots.
- Ray Pfeffer explained the "Grid" search process we had developed to accommodate the search area proposed by the Sheriff. There will be approx. 45 minutes between departures of each flight from PRC.

FLIGHT SAFETY OFFICER REPORT Farrell Harris

ADJUTANT REPORT Ray Pfeffer
