ADJUTANT'S REPORT Dana Hoch

Dana has been working on re-working all forms that we use to make them more readable, accessible and consistent in form and function.

Dana and Mike have volunteered to help put together a multimedia presentation to present to other groups. We would like to get this started very quickly and need input and volunteers from the group.

Dana demonstrated a new aviation related project, the Stratux, an inexpensive alternative to the Stratus.

Discussed vehicle numbering with Keith Moomey from the Quad Group.

COMMANDER'S REPORT Dan Berry

Dan discussed some his ideas about the presentation that we would be making, using new members for training and the target audiences that this was for (YCSO Deputies, members.)
Dan discussed the Joint training mission we had with Quad Group on November 17th
And that we would be attending the YCSRT Meeting – Wednesday, February 8th.
A discussion was made about the inherent inadequacies of our $35 radios and the need for a commercial quality radio. We will be discussing this with the other groups to get recommendations.
