- We need some ideas for guest speakers, subjects of interest for demos or presentations at meetings,

healthy snacks or doughnuts, places or events we should be represented at. How about an Activities Coordinator and a Recruiter. Mike Liversidge said he had a presentation on Runway Safety he could do. Suggestions were made to get somebody from Embry-Riddle and other SAR groups. Dana mentioned giving a presentation on an App called CloudAhoy and inquired if anybody had heard about two clubs that EAA helps sponsor (IMC Club and VMC Club.) Matt mentioned that we need to have more interaction within our organization and other groups and mentioned that he would be up for a breakfast fly-in.
